

## Dea Lieber Outstanding Adult Volunteer Award

This award is sponsored by the Clinton Eagle's in remembrance of Dea Lieber's selfless giving to her local 4-H club and the 4-H community. Please nominate those adults who generously give of themselves for the betterment of 4-H'ers and the 4-H program. This could be the adult volunteer who does not hold an official title (community leader, project leader, committee chair, etc.), but can always be counted on to go the extra distance to get the job done for the kids.
